Honoring Those Who Serve

Renewal of United Veterans Council Membership

The United Veterans Council (UVC) of Santa Clara County was established in 1922 to promote the common good and welfare of all veterans, their dependents, widows, orphans and citizens of the United States. UVC was officially incorporated as a not for profit Veteran organization – 501(c) (19) – by the State of California on February 11, 1966.

The purpose of UVC is to foster and support all veterans and veteran organizations through the exchange of information and ideas among and between veteran organizations in order to provide better service to veterans and their families. Essentially, UVC is an association of veteran organizations. It is not and will not be, dominant over any veteran organization. It merely provides a central forum within Santa Clara County to disseminate veteran information between veteran organizations and support veteran organization activities for the common good and welfare of all veterans.

UVC supports veteran, active military, reserve, and National Guard personnel, and their families, through philanthropic activities. In addition, UVC honors all those who have served, and those continuing to serve their country by:

- Providing information on legislation, or other actions, that might be detrimental to, or for the good of Santa Clara County veterans and veteran organizations.
- Maintaining a fitting and proper “Memorial Day” service and activities for deceased veterans.
- Supporting all local patriotic observances such as Flag Day, Independence Day, POW/MIA Recognition Day and etc.
- Planning and directing a suitable street parade, to be known as the Veterans Day Parade, each year to honor all military service personnel, past or present, living or dead.

UVC meetings are held on the first Tuesday of every month at the San Jose City Library, Willow Glen Branch located at 1157 Minnesota Ave., San Jose. Meetings begin at 7 PM, and are held in the meeting room in back off of the parking lot.

Membership dues for each organization are **\$20.00 per year**.
